There are more Ford Automobiles in use to-day than there are of any other make.

Every Ford owner is a satisfied customer.

You get more real car value for your money in a Ford than in any other car made.

Don't be misled by statements other salesmen may make. See the Ford demonstrated before you buy. Get the facts.

The Ford stands the wear and tear. It costs less for repairs than any car made.

Buy a Ford and be satisfied.

DECIDE YOURSELF

The Opportunity is Here, Backed by Paw Paw Testimony.

Don't take our word for it.

Don't depend on a stranger's statement.

Read Paw Paw endorsement.

Read the statements of Paw Paw citizens.

And decide for yourself.

Here is one case of it:

Mrs. H. S. Harris, La Grave & Pine Sts. Paw Paw, Mich., says: "In 1901 I gave a statement for publication in which I stated that Doan's Kidney Pills, procured at Longwell Bros. Drug Store, had brought me great relief from pain in the back and a lameness across my loins which had caused me considerable suffering. Several years have since passed and I am just as willing to testify in favor of Doan's Kidney Pills as I was before. I never fail to recommend this remedy when I have the opportunity, knowing it to be one of merit."

For sale by all dealers: Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.
